

Press Release

Abanos Interior Fit-Out & Joinery wins contract for ART CENTRE Mall

Dubai-based Abanos have been awarded the USD \$3 million (AED 11 million) contract for Art Centre Mall

Dubai, United Arab Emirates; 2nd October 2017: One of the largest and most established holistic interior fit-out and joinery companies in the UAE, Abanos, has won the Art of Living Mall (ART CENTRE) project located on Umm Sequim road, Dubai.

The Art of Living Mall (ART CENTRE) is a landmark in the history of Abanos, using state-of-the-art joinery and fit-out techniques to create stand-out features, including a contemporary organic ceiling and custom-made aluminium Mashrabiya. The project built up area is 510,000 Sq. ft. and consists of hand-selected premium materials including flooring imported from Spain.

Kamal Farah, Director, Abanos commented: "Everyone at Abanos is thrilled to win this contract – the Art of Living Mall (ART CENTRE) is a milestone in our company's journey and is the result of very hard work from every single member of the Abanos team."

Farah added: "Abanos has developed a name for successfully completing a large number modern projects, specialising in tailor-made solutions utilising state-of-the-art production facilities. I believe the Art of Living Mall is a great example of our reputation, capabilities and track-record in this region."

The Art of Living Mall project is scheduled for completion in the first quarter of 2018. The client for the project is MMS Global, working with main contractor Airolink and consultant Lacasa.

Abanos was established in 1985 and has expanded steadily, now operating throughout the UAE and GCC markets and employing over 1,000 dedicated people.

About Abanos:

Abanos is one of the largest and most reliable holistic interior fit-out and joinery companies in the UAE, with a track-record of delivering high-quality and tailor-made projects, all fabricated at its state-of-the-art production facilities. Established in 1985, the company has expanded steadily since its early days, now operating throughout the UAE and GCC markets and employing over 1,000 dedicated people – all hand-selected from various parts of the world.

As part of the company philosophy, Abanos undertakes interior fit-out projects from concept to completion, offering professional services to architects, designers, building contractors and all other clients to produce custom-made and standard joinery components, supported by cutting-edge manufacturing facilities.

Abanos operates a 10,000m² manufacturing facility in Dubai Investment Park, with state-of-the-art machinery for wood cutting, moulding, carving, veneering, laminating and painting, capable of meeting the ambitious requirements of clients across a diverse range of sectors. With manufacturing and warehousing facilities of 9,000m² coupled with an investment in modern machinery, the company has the capacity to handle various large projects simultaneously and is capable of meeting international standards of quality and lead times.

Abanos is committed to continually improving its health and safety performance, following strict internal best practice guidelines to provide a place of work that is safe and free from health hazards and risks, supporting the welfare of all employees to the highest standard possible.

Abanos has extensive experience completing projects in a wide variety of fields, including five- star hotels, high-rise towers, Royal Palaces, shops, banks, offices, department stores, hospitals, schools, public spaces and private residences. As part of its ongoing commitment to excellence, Abanos holds many international industry certifications covering diverse areas of business including quality management, sustainability and safety. The vision of the team is to maintain a leading position as a fit-out and joinery contracting company through engaging a holistic and sustainable approach to all its projects.
